

16W Round LED Panel Light

Product Features:

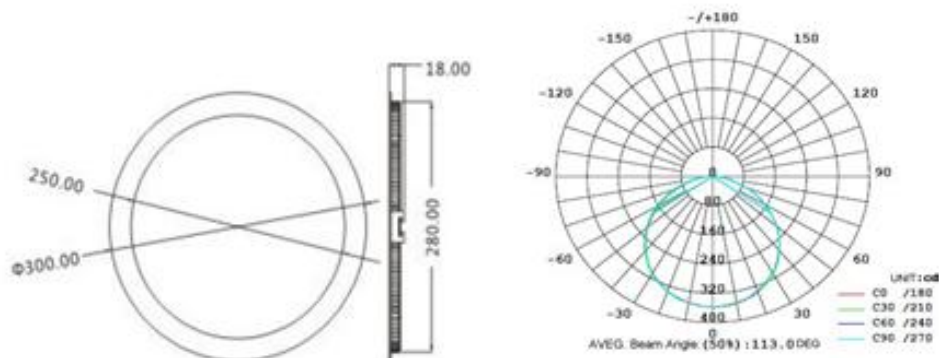

- Energy saving. Up to 90% energy saving rate.
- Long lifespan. Up to 40000Hrs.
- High CRI. More than 70(Ra).
- No UV or IR radiation. Protect skin and eyes, keep health.
- No flicker. Constant current, no flicker, protect eyes.
- Environmental protection. No Pb, no mercury.
- High efficiency. More than 90%.
- Optional color & color temperature (CCT).
- Dimmable. 10% to 100% brightness.
- Super slim, easy installation.

Application:

Replace traditional down light and T5/T8/T10/T12 louver light. Used in offices, super markets, restaurants, hotels, airport, metro, home, etc.

Specifications:

Item No.:	TP16R/R
Power:	16W
Input Voltage:	AC100-240V 50/60Hz
LED No.:	160 SMD LEDs
Chip Brand:	Chimei
Initial Flux:	1200lm
Power Factor:	≥0.95
CRI:	Ra=70-85
CCT:	2700-6500K, R, G, B
Lifespan:	≥40000Hrs
Beam Angle:	155°
IP Rating:	IP40
Working Environment:	-25~50
Material:	AL+LGP
Warranty:	3 years
Certificate:	CE,RoHS,FCC
Housing Color:	Silver Grey/white
Dimension:	∅ 300*17.6mm(12inch)
CTN Size:	377*340*40mm
Cut Off:	∅ 285mm
Net Weight:	1.25Kg
Dimmable:	Available

... leveres som standard med farvetemperatur 2.700-3.000K og kan leveres med 1-10V eller Dali styring.
