## METIS LIGHTPROFILE SERIES

Professional LED Fixtures, Energy and resource-saving lighting.

- Energy conservation, due to latest technology
- Less maintenance compared to conventional fluorescent lamp fixtures
- Long lifetime
- Less heat compared to conventional fluorescent lamp fixtures
- Better light distribution
- Easy adaptation to the natural light and the room's use

Part number	Color	LED QTY	Luminous Flux (lm)		Color rendering RA (CRI.)	Wattage
			Calculated	Lamp output		
METIS indoor 1	4200K	105	1730	1020	92	20
METIS indoor 2	4200K	210	3450	2050	92	40
METIS outdoor 1	4200K	105	2150	1260	70	20
METIS outdoor 2	4200K	210	4300	2540	70	40

Calculated luminous flux is based on the luminous flux of each LED.

The lamp output luminous flux is the calculated luminous flux reduced by the loss of light inside the lamp fixture.

# METIS

Wiring	Integrated WAGO® 5pol socket for easily making 1-10, DALI or 3F dimming and daylight adjustment. 0,75 - 2,5m2 installation cable.
Mounting	Direct wire suspension or screw mounting.
Material	Aluminum and polycarbonate.
